

Leinster Inter League Report 2018

The LBBUI Inter League competition finished on the 15th April with semi-finals and finals in Baldoyle and Whitehall Road. There was some really close and exciting games on the day and I think the standard of play and sportsmanship was very high.

Entries this year were slightly up with 32 teams taking part. I feel if we could get the message across to all the clubs better to make sure all their players were graded it would help greatly with getting extra entries. There does seem to be winning teams that can't take part as all the players haven't grades, especially in Dublin. Something to look at for next year!

Our winners now go on to represent Leinster in the all - Irelands in Limerick on the 13th May. Best of luck to all.

My sincere thanks to Dave, Joe, Siobhán, Shirley and the Umpires for all their help. My thanks also to all the county reps and club secretaries for their help.
