

### CAC Chairman's Report

The CAC Graded Individual Finals took place in Baldoyle in December 2019.

Although the attendance was not what it might have been and considering we had no entries from a number of counties, a good day was had by all who entered.

Honours were shared among the participating counties with no county dominating.

For the Inter-Counties, the preliminary rounds were played, thanks to all who officiated.

For the CAC Inter-County finals the draws were done but, due to the covid-19 restrictions the finals were postponed.

We had hoped to have the deferred Finals in the Autumn but this is now considered highly unlikely to happen.

My thanks to all who helped out, especially P.J., Paddy O, and the members that attended the meetings.
