At the end of every season, a DDLC Grading Sheet for each club will be forwarded to the club secretary. If the club believes a player's grading has changed to a higher or lower grade during the season, it must be updated on the grading sheet. It is their responsible to update and return to the DDLC committee leaguesandcups@lbbui.ie .

Please note, this Grading Sheet forms the basis for acceptance of Team Entries for the following season and so is a very important document.

The DDLC committee will grade and regrade players at their discretion.

For new Players (not beginners) who have **not competed** in the Dublin & District Leagues before and **as a result** are graded by a Club for their first Season, the Committee reserve the right to change that "Club" grade if it is considered that the player is subsequently found not to be suited for that level.
