

Baldoyle Badminton (Bar)Club

Report Year End 2025

2025 was a successful year for the bar. The bar is managed entirely by volunteers, with ongoing commitment from both the club committee and also from the bartenders who assist each week in running the bar.

Activities and business during 2025:

- Profits derived from bar and from lettings of the bar and function room enabled the committee to continue with refurbishment works in the bar and also to contribute to the funding of refurbishment works in the Centre.
- The Bar Lotto completed its 1st full year of operation since it's relaunch in December 2024. The lotto continues to be very popular with all patrons and supporters of the bar. Proceeds of the lotto contribute to the profitable operation of the bar.
- 2 new Trustees of the Club were appointed during 2025. They are Gay Dinan and Kevin McGrath. The Committee expresses its appreciation to both Kevin and Gay for agreeing to become Trustees of the Club. The Committee would also like to acknowledge and give thanks to Declan McGinn for his many years of being a Trustee for the Club.

Plans for 2026

The Club will continue to focus on upgrading facilities in the Bar and the Centre. Applications for financial grant assistance under several headings in relation to the Centre have been submitted to Fingal County Council. The Club will decide how to use its funds based on the results of these grant applications. We are still awaiting the outcome of these grant applications as of May 2026.
